

Comeback Physical Therapy is looking for a passionate and committed physical therapist to join our growing company in the Greater Boston area. Our company has 20+ years of experience of providing exceptional patient care and customer service in our communities. With 9 locations we are continuing to grow and expand our company throughout the Greater Boston region. If you want an outpatient physical therapy job with competitive pay and a great work-life balance, then you would make a great addition to our team.

Salary:

- \$45 - \$60 per hour based upon experience

Some of the benefits for joining our team include:

- PTO
- 401k (4% matching)
- Health / Dental insurance (HMO Blue Cross / Blue Shield)
- Sick / Personal Time Off
- 30min 1-on-1 treatments and re-evaluations
- 60min evaluations
- Professional growth opportunities
- CEU allotment opportunities

Job Requirements:

- Bachelor's, Master's or Doctoral degree of an accredited physical therapy curriculum
- Current and unencumbered Physical Therapist License issued by the Commonwealth of Massachusetts
- Current CPR, First Aid, and AED certification (preferred)
- Basic computer literacy skills
- 1+ year outpatient PT experience (preferred)
- New grads welcome; experienced therapists encouraged to apply.

Job Duties + Responsibilities:

- Assess each patient and develop an appropriate treatment plan with measurable goals and time frames
- Prepare and submit clinical and progress summaries based on identified and obtained goals
- Performs therapeutic procedures by administering manual exercises and instructing, encouraging, and assisting patients in performing physical activities, such as non-manual exercises, ambulatory functional activities, and daily-living activities.
- Instructs and counsels patients by describing therapeutic regimens, giving normal growth and development information, and promoting wellness and health maintenance.
- Maintains safe and clean working environment by complying with procedures, rules, and regulations, and adhering to infection-control policies and protocols.
- Possess a strong framework for musculoskeletal clinical examination, manual therapy skills, excellent communication and problem-solving skills and be interested in actively participating in our community outreach
- Possess a desire to be part of a team and be willing and able to work with a team of people
- Be passionate about learning and receptive to teaching
